2018 Training Program Certified or Licensed Nursing Assistant

The Nursing Assistant Training Program taught at the Arizona Medical Training Institute is a 120-hour course with class options during the day, evening or weekends. It prepares students to take the Arizona Board of Nursing exam and upon passing the candidate will be entered into the registry as a Certified Nursing Assistant or Licensed Nursing Assistant. Nursing Assistants can find employment in long-term care facilities, home health agencies, hospitals and hospice organizations where basic bedside nursing care is needed.

Classroom instruction includes an introduction to health care, basic nursing skills, body structure and function, infection control, CPR and the job-seeking process. Students participate in clinical activities under the supervision of the RN instructor in both the skills lab and clinical facilities. The program has been approved by the State Board of Nursing and is the largest program in Arizona, testing 600 first-time candidates in 2017.

CNA Program Cost is **\$1,355.00** payable at the time of registration. Students, at the time of registration, can pay the tuition in full, apply for a MACU educational loan, or utilize a 2, 3 or 6-payment approach. Price includes all textbooks, lab materials, Healthcare Provider level CPR and TB Test (by serum), fingerprinting, gait belt, uniform top, blood pressure cuff, stethoscope, technology fee and clinical orientation fee.
