Lifework Education Unveils New Certified Nursing Assistant Training Program in Partnership with Covenant Health Network in Phoenix, Arizona

PHOENIX, AZ – March 28, 2023 – Lifework Education, a leading national healthcare education provider, and Arizona Medical Training Institute, a Lifework Brand, proudly announce the launch of a Certified Nursing Assistant (CNA) Training Program in collaboration with Covenant Health Network, a respected network of healthcare facilities in Arizona. The new training program, along with its classroom and skill room, has been approved by the Arizona Board of Nursing, ensuring that the program adheres to the highest standards of education and training for prospective CNAs.

As the demand for qualified healthcare professionals continues to grow, this CNA training program will play a pivotal role in addressing the healthcare sector's workforce requirements while offering rewarding career paths for those passionate about care and nursing. The Phoenix-based classroom will accommodate up to 10 students for didactic and skill instruction, fostering an intimate learning atmosphere with personalized guidance and support.

Learners participating in the program will complete their clinical hours at various skilled nursing facilities in the metro Phoenix area, all of which are part of the Covenant Health Network. This hands-on, real-world experience will grant students invaluable exposure to the day-to-day operations and patient care duties of a Certified Nursing Assistant.

"We are delighted to join forces with Covenant Health Network to expand the reach of our CNA training programs," said Frank Swiger, CEO of Lifework Education. "Our mission is to empower students with the expertise and capabilities needed to thrive in the healthcare arena, and this partnership will significantly contribute to that objective."

The newly-established CNA training program aims to prepare students for the Arizona State Board of Nursing CNA examination and equip them with the necessary skills to excel in their professional endeavors. The course encompasses a diverse array of subjects, including patient care, safety protocols, infection control, communication techniques, and documentation procedures. Additionally, the curriculum emphasizes the legal and ethical dimensions of healthcare practice.

Registration for the Certified Nursing Assistant Training Program at Lifework Education in Phoenix, Arizona, is now open. For further information or to enroll in the program, please visit [www.azmti.com](http://www.azmti.com) or call (480) 835-7679.
